

# TSG-923 | PROFESSIONAL DESK MICROPHONE

## Description

- TSG-923 is a desktop conference microphone with a three-pin XLR male. It adopts a new square microphone tube and high-end customized leather material, which is elegant and generous. The V-shaped base distributes the weight of the microphone more evenly, making it more stable on the table. The condenser cardioid directivity microphone core and the adjustable pickup angle design are adopted, which can flexibly adjust the pickup direction according to personal usage habits. Placing it in a farther place gives participants more space, and at the same time, it can also reduce the interference of environmental noise by using the principle of lower sensitivity of the end.

## Product Specification

|                          |                                                         |
|--------------------------|---------------------------------------------------------|
| Capsule Type:            | Condenser                                               |
| Polar Pattern:           | Cardioid                                                |
| Frequency Response:      | 100Hz-15KHz                                             |
| Sensitivity:             | -38dB at 1V at 1Pa                                      |
| Output Impedance:        | 420Ω                                                    |
| Maximum Sound Pressure:  | 125dB, 1KHz at 1% T.H.D                                 |
| Dynamic Range (Typical): | 100dB, 1KHz at maximum sound pressure                   |
| S/N Ratio:               | >65dB, 1KHz at 1Pa                                      |
| Power Supply:            | DC24-52V phantom                                        |
| Power Switch:            | On/Mute                                                 |
| Output Connector:        | Male 3-pin XLR                                          |
| Weight:                  | About 800g                                              |
| Overall Size(mm):        | 225(W) x 135 (D)X95/220(H)(minimum angle/highest angle) |
| Colour:                  | Black                                                   |
